PROFILE

Creative designer with 8+ years in branding, motion graphics, and video editing. After leading teams and managing campaigns, I'm refocusing on hands-on design — creating work that feels honest, well-crafted, and true to its story. I value calm, clarity, and respect for the creative process.

Present Experience

2023

Branding and Creative

Philippine National Bank | Nov 2023 – Present

- Leads the Creatives & Branding section of the Marketing Division.
- Manages all branding requirements across 600+ branches nationwide.
- Oversees marketing materials and creative direction for all business units.

2018
